Schools Plan Program For Faculty-Community Meets

The faculty and administration of the Cameron Public Schools are this week hearing from committees which have been working for some time on plans for closer school-community relationships for the 1953-54 school year.

After a meeting this week with the University Educator who will help direct the program it was announced that there will be five monthly programs meeting on the second Tuesday night of each month beginning in December.

The general public is not only invited but urged to attend these educational programs.

Each organization in Cameron will be asked to furnish a representative to serve with the faculty committees in planning and arranging for each of five programs.

The five general areas which are to be explored are:

1. Looking back and looking forward in education in Cameron.
2. Importance of teaching in Cameron.
3. Youth in Cameron Community.
4. Ways of teaching in Cameron.
5. Cameron Public and its Schools.

Miss Aigner Crowned Queen At Homecoming Ceremonies Friday

Miss Barbara Aigner, daughter of Mr. and Mrs. Hugo Aigner of Ben Arnold and a member of the Senior class was crowned Homecoming queen Friday night at ceremonies before the Cameron Yoemen-George Town Eagle tilt began.

The Homecoming activity will begin at 7:30 on the football field with the presentation of Miss Aigner by the co-captains of the Yoemen football team.

Co-captains W. K. Leonard and games Posey escorted her across the field. Superintendent of Schools, W. T. Hanes presented Miss Aigner with a bouquet of flowers.

The Homecoming queen is determined each year by the points received on the basis of yearbooks bought by class members, the sale of football tickets to the homecoming game and the winner of the parade which takes place the night before the game.

The 1953 Homecoming parade was attended by a large crowd of fans and Exes. Floats were entered by each Yoe class. The Junior class placed first in this event. The Senior class and Freshman class tied for second place and the Sophomores were third. Bigger and better floats were displayed this year than ever before. Classes were judged

One Three-Car Collision Occurs Near Rockdale

The weekend traffic resulted in a three-car collision on U. S. Highway 79, two miles out of Rockdale about 8 p.m. Sunday November 8.

Highway Patrolman, John Blansit investigated the accident.

J. W. Carter of Rockdale, driving a 1951 Studebaker, was heading west. C. Crump of Amarillo, driving a 1950 Studebaker was making a left hand turn into Village Inn. Blansit said Carter's car hit Crump's car on the left side. From the point of impact, the Crump car was knocked about 130 feet. The Carter car swirled back to its left and hit a 1950 Ford belonging to Nell Curry of Rockdale. The Ford car was parked in front of the Inn.

The patrolman said the parked car received only slight damage. Heavy damage was received by the Crump and Carter cars.

Charges were filed by the investigating patrolman.

Local National Guard Enlist Two Men November 3

By Lloyd Albertson

Two more enlistments were made in Battery C, 649th Anti-aircraft Artillery Battalion during the weekly drill period on Tuesday evening, the local Guard unit reported today.

It also announced that two Guardsmen have recently extended their enlistments in the Battery from one to three years.

Listed as enlisting in the unit were John J. Dillon and Joe R. Jedlicka. Both are students in local schools.

The two Guardsmen extending their enlistments were both non-coms: Cpl. Bennie R. Juergens and James B. Richardson. Juergens, a farmer, is a member of the Battery's Mess Section; Richardson, employed by a local wholesale firm, is assigned to the Communications section.

Final Rites Held For John Hairston At Marlow Church

John W. Hairston died Monday, November 9 at the home of his daughter, Mrs. Andrew Ritchie of Brownwood. Mr. Hairston had been in ill health for the past year. He made his home in Milam County, but had been in Brownwood since August, 1953.

Mr. Hairston was born April 5, 1882 in Coryell County, Texas. He was the son of the late Mr. and Mrs. Thomas Milton Hairston. Mr. Hairston came to Milam County at the age of 18. He married Miss Elia Garner, December 1910. Mrs. Harrison preceded him in death on April 28, 1946.

Mr. Hairston served as Milam County Treasurer during the term of 1946 to 1948.

Survivors included two daughters, Mrs. Andrew R. Ritchie of Brownwood; Mrs. M. M. Bright of Cameron; three sons, W. G. Hairston, Baytown; Thomas M. (See John Hairston, Page 6)

Texas Power & Light Company Installs New Lighting System

The City of Cameron is in the process of getting new mercury vapor street lights which are being furnished and installed by the Texas Power and Light Company. The process of installation of the new lights began about a week ago.

All in all, 95 of the blue-white lamps will be installed. They are five times stronger than our

present lights, and according to Texas Power & Light officials, are the most modern development in street lighting.

TP&L is making the installation with the permission of the City Council. Although all lights, globes, fixtures, and wiring are furnished by the company, it will be the city's responsibility to replace any globes that burn

Christmas Parade Scheduled For Thursday, Dec. 3

Santa Claus and his four live reindeer will parade through the town to bring the Yuletide season nearer to children and adults on Thursday, December 3.

Santa and his reindeer will be accompanied by various floats and area high school bands.

Old Saint Nick will pull the reins over his charges as they prance down the street, resplendent in their bright red harness with shiny, brass nameplates.

Grady Carothers, Goldwaite, Texas ranchman, is bringing the live reindeer here. They are a part of the herd he owns in the Central Texas area.

Robert D. Abel, manager of the Cameron Chamber of Commerce, announced that any civic organization, church, school or school organization would be eligible to enter a float. Those desiring to do so are requested to drop by the Chamber of Commerce office and pick up an entry blank.

Prizes will be given to the organization entering the best float.

Abel further announced that invitations will be sent to area high school bands.

There's restless reindeer feet in Texas today. Donder and Blitzen have tried on their parade harness, and they look splendid. Dancer and Prancer are getting shiny new harness too. Santa is making feverish preparations for his visit to Cameron on December 3 and the sleigh is getting a new coat of flaming red at North Pole headquarters.

First Methodist Church To Have Homecoming Sun.

The First Methodist Church of Cameron will observe its Homecoming Day Sunday, November 15.

Dr. W. C. Finch, president of

Dr. W. C. Finch

Southwestern University at Georgetown, will bring the opening sermon at the 11 o'clock service.

The man and woman coming the longest distance and the man and woman who have been members of the church the longest number of years, will be presented with flowers.

Byrd Wildcat In East Milam Below 7,600

The D. H. Byrd No. 2 M. Blakeley, wildcat in the east corner of Milam County, was drilling at 7,617 feet Friday on an 8,000-foot permit.

Gas cut mud had been recovered on one drillstem test up the hole and salt water and gas cut mud on another.

The pressure bomb failed on an attempted test at 7,324-68 feet, where gas surfaced in an hour and a half. On a two-hour and 50 minute test at 7,320-70 feet, gas reached the surface in an hour and 50 minutes and recovery was 270 feet of gas cut mud. Bottomhole pressures were 75 and 125 pounds, flowing, and 2,350 pounds, shut-in for 30 minutes.

Recovery was 630 feet of gas cut mud and 2,500 feet of salt water on a test at 6,719-809 feet. Previous tests, at 6,272-879 feet in the Glen Rose, recovered slightly gas cut mud, and at 5,692-752 in the Edwards, mud cut was salt water.

The Byrd wildcat is a half a mile southeast of the Byrd No. 1 Lucinda Greene, dual gasser in the upper Pettit at 7,682-700 feet, and the upper Glen Rose, 6,245-213 feet, and the only major producer in Milam County.

Mr. and Mrs. M. M. Conner and sons of Arlington, attended the Baylor-TCU game last week and enroute home visited his mother, Mrs. D. C. Conner and other relatives here and her brother, O. H. Gross and family in Rockdale.

Yoemen Stomp Eagles, 32-14 Invade Belton Friday Night

It was an inspired bunch of Cameron Yoemen who came tearing back after trailing at half time, to nip Georgetown here Friday night, 32-14 in a thrilling Yoe Homecoming tussle.

The Homecoming activities began at 7:50 p.m. when the Homecoming Queen, Miss Barbara Aigner, daughter of Mr. and Mrs. Hugo Aigner of Ben Arnold, was presented. She was escorted across the field by Yoe co-captains, W. K. Leonard and James Posey, and was presented with a bouquet of mums by Superintendent of Schools, W. T. Hanes.

It was the brilliant passing of Georgetown's Cecil Spain that kept the Yoemen on guard, and which earned a 14-13 lead at half time for the Eagles, but the Yoemen weren't to be underrated, and the rejuvenated Yoemen sparked in the second half. From then on it was the Yoe's game.

Cameron hit pay dirt first when Jimmy Rettig yanked the crowd to its feet when he returned the opening kickoff 70 yards, a 15 yard clipping penalty brought the ball back to Georgetown 45 yard line. The Yoemen were not long delayed, however, for after moving from the 45 to the 25, Leon Beale used his motor scooter legs and romped to the Eagles 3 and in two plays Leonard had the touchdown, with two and half minutes gone in the game.

The Eagles rebounded on the kickoff, and in less than two minutes, added their score to tie the game. The Cecil Eagles pushed

Milam Unit Announces Health Survey Will Be Taken In Cameron

The Milam County Health Unit announced that a health survey will be taken of Cameron and Bartlett.

Dr. N. C. Leone, epidemiologist and chief medical investigator of the National Institute for Dental Research, U. S. Public Health Service, and Dr. E. Taylor, dentist in charge of the Division of Dental Health, Texas State Department of Health, visited Milam County Health Unit recently. Preliminary plans were made regarding a health survey of the people of Cameron and Bartlett, repeating those surveys made in these communities in 1943.

The surveys are being made to compare the health of these two communities, which are so similar in nature, excepting that Bartlett's water has in the past, contained large quantities of fluoride whereas the water of Cameron contains little or no fluoride.

The people of Cameron who participated in the 1943 survey, and the physicians and dentists who were in Cameron in 1943, will remember the previous survey. The physicians and dentists of Cameron are being contacted individually by Health Unit personnel regarding the survey to be made in a few weeks.

Details and dates of the survey will be given out later after completion of plans.

The case of the State of Texas vs. Morris Spriggs has been set for trial by Judge O. D. Graham for November 16 at ten a.m. A special venire has been ordered by the Judge.

Spriggs has been charged by indictment with the murder of Taso Dorsey on Sunday, April 19, 1953.

County attorney James W. (Jim) Miller has indicated that he will ask for the maximum penalty in this case.

The defendant will be represented by Jack Prescott.

Brazos River Board Authorizes Deal With Waco To Build Big Dam

At the last session of the State Legislature, the Brazos Reclamation and Conservation District name was changed to the Brazos Authority. One of the main purposes for the change of the name was to make it more acceptable to bond buyers in the east. The act also increased the powers of the Authority to include help in the financing of building dams in reservoirs from Municipal Water Works for cities located on the Brazos River and its tributaries.

Waco's present bonded indebtedness in building a dam to less pledges of revenue would not permit more bonds to be

voted. However, the Brazos River Authority can issue bonds in its own names secured by contract with Waco to pay for water, this payment being used to retire the bonds issued by the Brazos above Lake Waco.

Waco became the first city to take advantage of this authority by law by applying to the (See Brazos River, Page 6)

Improved again!

No. 1 in Texas

by a wider margin than ever

A few weeks after the Japanese surrender in World War II, the Humble Company introduced a vastly improved Esso Extra gasoline to Texas motorists.

At that time, the Company promised a policy of continuous improvement: Humble told motorists that Esso Extra would never take second place in quality.

That promise has been kept. Improvement of Esso Extra has been continuous. Statewide, Esso Extra has consistently led other Texas gasolines in quality. Statewide, Esso Extra has been No. 1 in quality every year.

And now, because Texas motorists driving modern automobiles have learned that Esso Extra gives them extra performance, Esso Extra is also No. 1 in sales.

The improvement in the quality of Esso Extra announced by this advertisement is substantial — it is a major improvement. It places Esso Extra far ahead of other gasolines in the qualities that are reflected by performance in your car.

Today, Esso Extra gasoline is No. 1 in Texas by a wider margin than ever before.

Esso Extra is seasonally adjusted

As the seasons change in Texas, there are also changes in the manufacture of Esso Extra. These changes assure the same high quality performance the year around. But seasonal adjustments are not made at the same time for all parts of Texas, because, as every Texan knows, winter, summer, spring and fall arrive in different parts of Texas on different dates. For example, in North Texas, motorists are already using "Winter grade" Esso Extra, but in sunny South Texas, Humble customers are still filling up with "Fall grade" Esso Extra.

Now, the BEST gasoline in Texas is even BETTER!

Esso Extra gasoline, statewide, has

consistently led all other Texas gasolines in quality; now, new improvements have widened the margin between Esso Extra and the rest: Humble Esso Extra has no equal throughout the state of Texas.

Tests prove Esso Extra's superior quality!

There are three qualities of a gasoline that are brought out in the performance of your car. In all these three qualities, Esso Extra leads.

Extensive and continuous laboratory testing of Esso Extra and other gasolines proves Esso Extra's superior qualities, and these laboratory tests have been confirmed by road testing in specially equipped automobiles.

Esso Extra leads in anti-knock performance: In today's automobile engines, with their high compression ratios, anti-knock performance is the most noticeable quality of a good gasoline. There is no substitute for this quality. Only a gasoline with a high octane rating — that is, high anti-knock performance — burns so evenly and completely that it transfers all the usable energy from the gasoline to the pistons. When your car's engine pings or knocks, you're losing power. Esso Extra has the highest anti-knock performance in Texas.

Esso Extra leads in power: High anti-knock performance assures more power. Since Esso Extra has the highest anti-knock performance in Texas, it gives you more power than any other Texas gasoline. This

conclusion has been verified by special laboratory testing equipment which actually measures the power delivered by a gasoline burning in an automobile engine. Road tests by both Humble technicians and independent research facilities have confirmed the laboratory tests. Your car will develop extra power when you use Esso Extra.

Esso Extra leads in quick starting: In comparative tests with other gasolines, Esso Extra's quick starting characteristics were rated "Excellent," while those of other popular gasolines ranked from "poor" to merely "adequate." When you use Esso Extra your engine starts at almost the instant you press the starter button. But quick starting is more than a convenience. It saves gasoline, and it prevents gasoline dilution of the crankcase oil. If you use your car mostly for town driving, you will specially appreciate Esso Extra's quick starting qualities.

And for good measure, Esso Extra contains a patented solvent oil: This oil is not a lubricant. Its purpose is to dissolve the gummy substances that collect carbon on top of pistons and under valves, and thus help to prevent carbon deposits in the upper parts of your engine.

See for yourself—test Esso Extra in your own car

Esso Extra will give you the same results obtained by researchers when you test it in your car. Its quality is so superior that you will notice at once that Esso Extra gives you extra quick starting, extra anti-knock performance, extra power.

Make these tests.

First, please, fill your fuel tank with Esso Extra, so that the gasoline you're testing won't be adulterated by a different brand. Then drive your car for eight or ten blocks to use what gasoline is in your fuel line and carburetor. Stop and turn off the ignition.

Now, test Esso Extra's quick starting quality. You'll notice that your engine "catches" quicker than ever before.

Second, after you've shifted to high gear,

slow your car down, then accelerate suddenly. This will demonstrate Esso Extra's extra anti-knock performance.

Third, take your car through traffic. Note how quickly and smoothly it accelerates on Esso Extra — you're away sooner than before. Then drive out on a highway and notice that you can actually feel the extra power that your car has — extra power for present needs, with plenty in reserve for emergencies.

Those three simple tests will convince you that Esso Extra is the best gasoline you've ever used. You'll discover that you enjoy your car more, that it runs better, that you're getting — at last — the performance you expect from a modern automobile. No other gasoline can duplicate Esso Extra's performance in your car, because no other gasoline matches Esso Extra's quality.

HUMBLE

Fill up with improved Esso Extra gasoline at any Humble sign — it's the same extra performance gasoline at every Humble sign.

Little River Philosopher Clears up a misunderstanding on State's Rights, in a vague sort of way.

Editor's note: The Little River Philosopher on his Johnson grass farm on Little river tries his best to clear up the State's Rights issue this week, but as far as we can tell he misses by several miles.

Dear Editor:

A whole lot has been said about State's Rights in recent years and there's a lot of misunderstanding on the topic.

The other day I was out here flipping through a newspaper which I'd been carryin' around in my pocket for several days, some people say yesterday's newspaper ain't interestin' but it is if you haven't seen it yet, and I ran across an article which said Secretary of Agriculture Benson has proposed that the states help foot the bill for the farm program.

This is what I call a complete misunderstanding of the State's Rights argument.

State's Rights is a sacred heritage, guaranteed by the forefathers and written into the Constitution, but it ain't got anything to do with footin'

any bills.

The tidelands, they belong to us, but the farm problem, thunder, that's nation-wide and ought to be settled on a nation-wide basis, without respect to any state line or any state pocket books, especially any state I'm livin' in.

I believe not only in State's Rights, I believe in County Rights and Precinct, Rights and Farm Rights and Home Rights and Kitchen Rights and Front Porch Rights, but I firmly believe the price of potatoes or cotton or corn or cattle is a problem too big a problem for Washington, but that shouldn't keep Washington from tacklin' it.

A long time ago, people tried buildin' roads for example on the Farm's Rights principle, everybody was responsible for the road, past his farm, and while this was a good idea and gave a man

a lot of independence, it didn't result in any roads worth mentionin'.

If Sec. Benson believes Rhode Island ought to take care of the price of cows in Rhode Island, and Texas the price of cows in Texas, he sure is off on a strange path. Doesn't he know one state would sit back and wait till some other state raised the price of cows, and then every rancher in the first state would ship all his cows to market in the latter state?

Of course, this may not be what Sec. Benson had in mind at all, maybe he thinks the government in Washington ought to administer the farm program but the states ought to help foot the bill, and while I imagine a lot of money Washington handles does come from the states, doubt if much of it comes from England, for example, or West

Germany, I can tell Sec. Benson right now his proposal to have the states foot the bill on the farm program is goin' to be mighty unpopular. Any time I'm able to pay for my own farm program, I won't need a farm program.

BUCKHOLTS NEWS
Mrs. J. Meyer

The citizens of Buckholts, and the many friends of the Herman Fuchs family were shocked and saddened when news reached here Saturday of the death of Marvin Fuchs, and his wife Jean, whose bodies were found in their stalled automobile near Oxford, Pa. during a winter snow storm.

Our heartfelt sympathy goes out to the family in their bereavement.

Word has been received here of the arrival of Linda Fay, a 7 pound, 10 ounce baby girl born to Pvt. and Mrs. Willard Gandy, of Chester, Pa. Grandparents are Mr. and Mrs. Vick Gandy of Rogers, and Mr. and Mrs. Frank Vybiral of Burlington. Great-grandparents are Mr. and Mrs. F. O. Richter of Buckholts. Mrs. Gandy is the former Mildred Ray Vybiral of Buckholts.

Seaman and Mrs. Maurice Belcher stationed with the U. S. Navy at Norman, Okla. were visitors here last week-end, as the guests of his sister and family, Mr. and Mrs. Louis DeWald. Other guests Sunday were Mr. and Mrs. Joy DeWald of Copperas Cove, who also were guests of the H. W. Frazier family.

Mr. and Mrs. J. C. Williams and Mrs. Artie Reese of Pasadena were recent guests in the C. S. Raney home. Mrs. Williams and Mrs. Reese are sisters of Mr. Raney.

Mr. and Mrs. Wade Cryer and son, Bobbie of Houston spent the weekend here as guests of their parents, Mr. and Mrs. Cryer and Mr. and Mrs. Rome Shelton.

Mrs. John Meyer has returned from a weeks visit in Dallas, where she was a guest of her sisters, Mrs. E. E. Robertson, Sr., and Miss Smithie Ritchie and her brother and family, Mr. and Mrs. S. W. Ritchie. The occasion was a family get-together for a visit with Mrs. Meyer's nephew and family, Major and Mrs. E. E. Robertson, Jr. and children, Larry and Jackie of Washington, D.C. They were on leave visiting Major Robertson's mother, and other family members.

Mr. and Mrs. C. J. Yanero and baby girl of Grand Prairie were weekend guests of Mrs. Yanero's parents, Mr. and Mrs. E. E. Phillips.

Mr. and Mrs. Curtis Bean had as their guests the past weekend, their son, Monroe and Hampton and daughter, Nona Faye Bean of Houston.

Mr. and Mrs. B. M. McMillon and her sister, Mrs. Etoile Wittenberg spent Armistice holiday, Wednesday, in Austin as guests of Mrs. Wittenburg's son and family, Mr. and Mrs. James Barclay.

Mr. and Mrs. J. W. Meyer spent Sunday in Temple as guests of Rev. and Mrs. W. H. Steinman and Mrs. Johnny Meyer.

Mrs. Fannie Zatluk of Temple spent Wednesday and Thursday here as a guest of her brother and sister-in-law, Mr. and Mrs. Petruy.

The revival meeting at the Czech Moravian Brethren Church at Buckholts, in progress since Monday night will be concluded Friday night.

Rev. H. E. Beseda, Jr., of Rosenberg brought the messages in the English language through Wednesday night. The remainder of the services will have the messages delivered in the Czech language by Rev. H. E. Beseda, Sr.

The pastor, and congregation wish to express their gratitude to all visiting churches in the community for their cooperation and support in making this meeting a success. There has been special music each night, under the direction of Rev. John Baletka of Temple.

Officers Of Cub Scout, Pack Five Announced

Pack Number 5 of the Cub Scouts met with Mrs. Carl Fikes at the old school building last week.

The officers elected by the pack recently are:

John A. Smith, president; Tommy Leonard, vice-president; Jimmy Woodum, secretary-treasurer; Jerry Hope, yell leader and Robert Mann, reporter.

The meeting opened with the pack and den song. The members exhibited their moles of animal heads that they made. After closing with the "living circle", refreshments were served by Mrs. John A. Smith. Candy and soda pop was enjoyed by the boys.

Airman Third Class Monroe White, son of Mr. and Mrs. Monroe M. White from Sheppard air base, Wichita Falls, visited in his home over the weekend. He came especially to see his mother, who has returned from Providence Hospital, Waco, after undergoing surgery. She is reported to be improving nicely.

Her Voice Travels 3 Miles for a Penny

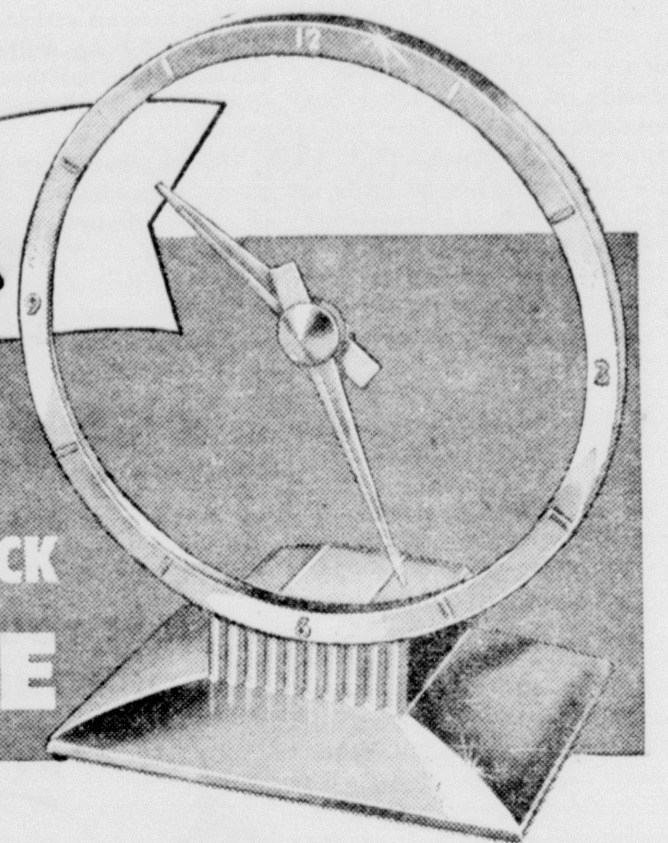

HOW MUCH DOES YOUR TELEPHONE SERVICE actually cost? Recently we asked a group of telephone customers to help answer that question by keeping a record of all the calls they made and received for a week. One of the group, Mrs. Felicia Littlejohn, made and received 58 local calls. She estimates that they covered a total of 345 miles. The cost, according to Mrs. Littlejohn's figures — about three miles for a penny. "That's a real bargain," she added.

From where I sit ... *by Joe Marsh*

Sheriff's "Push" Pulls a Vote

Was talking with our newly elected Sheriff Williams the other day. He told me about a fellow who stopped by his place late one night just before election.

"Heard a knock at the door," he said. "Fellow I never saw before. Told me his car went dead down the road and would I give him a shove. My boy, Flip, and I went out to his car with him. We're all set to push when he steps on the starter and the motor turns over."

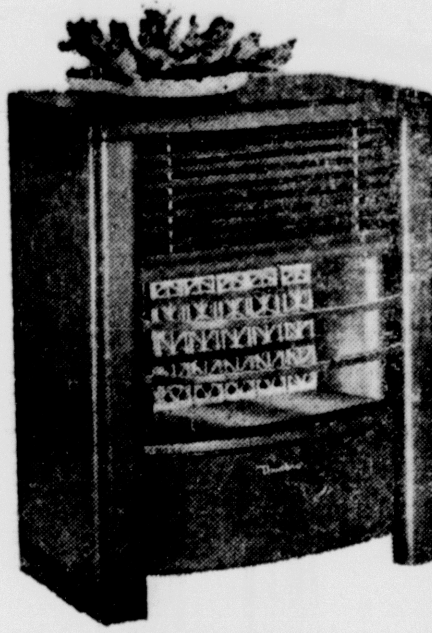

"Well, Flip and I just stood there when the fellow leans out

the window and says, 'Just wanted to make sure you're the right man to vote for.'"

From where I sit, the fellow who's quick to lend a hand makes any community a better one. But you don't have to run for office to prove you're a good neighbor. One way I know is just to have a little regard for the other fellow. Whether your neighbor likes beer or buttermilk, don't try to push him to your choice. Just give him your "vote of confidence."

FHA King Crowned At Homemakers' Meeting Monday

The Senior and Junior Yoe Chapters crowned Billy Slavik their 1953-54 King at the regular business meeting Monday, November 3, in the high school gym.

This highlight of the evening came after the business meeting.

The crowning officially started when Ethel Mae Jistel, the towncrier, announced Billy's arrival. Jimmy Rettig, the 1952-53 King was sitting on a throne awaiting the newly elected King.

The carpet-rollers, Agnes Sheguit and Pat Moraw, rolled out the carpet for the King and ran back to carry his train which was white and trimmed with roses.

LaNette and Valarie Green sprinkled petals before the King's path. When Billy reached the throne, Jimmy surrendered his crown, which was white with red roses, the FHA emblem, and scepter which was silver with a red rose, but he did not surrender his kingship which he will retain for the remainder of his high school years.

"Let Me Call You Sweetheart" and "For He's a Jolly Good Fellow" were sung by the FHA members. The singing climaxed the event.

At the business meeting Billy Nell Johnson presided and was assisted by Beverly Freeman, Anna Marie Simecek, Janis Jistel, Joyce Hertenberger, Pat Moraw, Nancy Lawrence and Imelda Hanel.

Beverly Freeman gave a report on the FHA 1953-54 yearbook and also a brief summary of what it will contain.

It was announced that the local chapter will attend the House on Fat Stock Show on February 6.

Jane Henderson reported on the civil defense program that the local chapter will give for the district FHA meeting Saturday, Nov. 7 in Milano.

Thirty-two girls are planning to attend the meeting.

Billy Nell Johnson, Wilma Krucmcke and Jane worked out the civil defense skit. Betsy Vogesang, Pat Moraw, Rose Matyas-tik, Yvonne Story, Katherine Johnson and Barbara Mondrik

will help on this program.

Games were enjoyed by the FHA and FFA after the crowning. Pat Moraw, reporter.

Mrs. Morris Eplen Speaks To Delphians Tuesday

Mesdames Jimmy Asher and A. F. Russell were co-hostesses Tuesday afternoon at the Asher home to the Cameron Delphian Club.

A most interesting program on Fine Arts was brought by Mrs. Morris Eplen who stressed the importance of hobbies and self expression.

She brought various items to display and thereby emphasized the many phases of art.

A lovely Battenberg lace tablecloth made by Miss Jerusha Rogers; an old wool coverlet, handmade by Miss Roger's ancestors from wool grown and spun in this county more than 100 years ago; old embroidered quilts; etched copper pictures handpainted; wool pictures; and numerous other items were viewed with interest.

Miss Mildred Thornton, president, opened the meeting and the minutes were read by the secretary, Mrs. A. W. McCullin.

Mrs. Niley Smith and Mrs. Thornton will represent the club at the state TFWC Convention in Austin next week.

The club voted to donate \$2.50 to the World Community Day offering.

The Asher home was beautifully decorated with rose and chrysanthemums. The lace covered tea table had a background arrangement of bronze pompoms, tinted oak leaves and ribbon streamers.

Mrs. Niley Smith presided at the silver coffee service and Mrs. McCullin served the mince meat tarts.

PUZZLE: Who got the hundred million dollars?

He walked into our office seven years ago, sat down. We knew the customer. And a wonderful credit rating he had, too.

Said he wanted airplane engines. By that time blueprints were scattered all over the place.

He was taking no chances. Not one engine would he accept without testing first, stripping apart, building up again, and testing once more. Hmm!

And more. Every engine he bought would be overhauled after 15 running hours.

He didn't say so, but he must have known we would have ideas, too. (Lights burn all night when engineers at our place see ways to improve things we make.)

The climax was last August. The customer announced that he would allow 1,200 hours flying time from these G-E engines before an overhaul.

In other words, 80 times as many hours without overhaul as seven years ago. And today only every tenth engine is tested twice before delivery because of what has been referred to as the "perfection rate" of G-E jet engines.

Oh, yes. The hundred million dollars. With General Electric engines now giving extended service, not so many are needed. Improvements have saved the customer that much in five years.

P. S. Who's the customer? The U. S. Air Force. And what was the engine? The J-47 jet engine.

And who got the hundred million dollar saving? Who profits from more Air Force per dollar? The taxpayer, everybody. This story is one more example of what happens when research men and engineers are at work. Products gain in efficiency, do more. New products emerge, and the public is always the gainer.

The "stamp of newness"—and another new Santa Fe freight car is ready to roll

21 miles of new freight cars added by Santa Fe last year!

Remember when you used to count freight cars as a kid?

How would you like to count and stencil the "stamp of newness" on 21 miles of them?

That's what Santa Fe did last year—added 21 miles of new cars to its great fleet of modern freight cars.

And so it goes—year after year after year—until today there are 84,898 freight cars serving shippers on the Santa Fe.

With this building new program, Santa Fe is meeting the ever-growing need for moving vast tons of

wheat, livestock, perishable foods, minerals and merchandise to the markets of America.

And many of these cars are new and special types to serve shippers in new and better ways—like the "MTC 3150" mechanical refrigerator car that works like your home freezer.

It costs Santa Fe millions of dollars—earned dollars—to acquire this great fleet and maintain its own "steel highway."

But it doesn't add a penny to the taxes you pay.

YOEMEN—

Georgetown came back again

after being stopped cold on the

Yoemen one-foot line where the

Yoemen took over. The second

half saw the Eagles scoring first,

with the deadly Spain-to-Moehring

combination clicking again from

the Cameron 43 to the five. Roger

Lockhart handed the chores, and

clinched the tally on the next play.

Rettig again returned the Moehring

kickoff to the Georgetown 45,

and two plays later scattered 45

yards to score. Junior Zetz,

who had kicked the first extra point,

missed this one.

A see-saw battle continued as

both teams settled down. Both

sides were evenly playing. The

half-time ended with the ball

resting in mid-field and Georgetown

ahead, 14-13.

A splendid half-time show was

given with the Georgetown band

and the Yoe High band participating.

From the opening whistle of the

second half, it was Cameron's

ball game and the big Georgetown

wall, which had held here-tofore,

gave way and the Yoemen

established their second-half

superiority quickly, opening up

from their own 35. Quarterback

Arnold Warren passed to End

Charles Eames, who carried from

the Eagle 45 to the 35. Beale and

Rettig alternated to move to the

three. Leonard punched out one

yard, and then plunged into the

end zone. Joe Michalka's pass

to Rettig in the end zone for

the extra point stunned the Eagles

and the fans. The TD and extra

point put the Yoemen ahead to

stay.

The fourth quarter was all

passing burst in the latter part

worried the Yoemen. Opportunity

knocked, however, early in the

quarter, when the Yoemen recovered

the ball after Moehring fumbled

it after a high pass from center

in an attempt to punt. The

Yoemen recovered on the Eagle

29, and in a burst of speed Leonard

scored on the first play.

Later in the period the Eagles

held on their three and opportunity

to move out. But attempter

kicked the door down again, and

Leonard intercepted a Spain pass

for a 27-yard runback and the

final marker.

The Eagles managed to cross

the 50 yard marker late in the

quarter for the first time. The

ball switched hands four times.

When the final gun sounded, the

Yoemen were in possession of the

ball.

Standouts of the Yoe team were

Billy Angell, Johnny Floyd, Jimmy

Hank and Zetz. Russell Jenkins,

Mike Stone and Joe Moehring

were outstanding for the Eagles.

The entire Yoemen backfield

joined together for beautiful and

outstanding team work, while

Spain, Roger Lockhart and Wil-

ford Bane were the Eagle back-

field standouts.

This week the Yoemen invade

Belton in hopes to tame the Tig-

ers who have been flying with

high colors this season.

The Tigers have a district win

over every opponent in the dis-

trict, except the locals, and they

intend to keep it that way.

Belton has a victory over Rose-

bud, a team the Yoemen haven't

matched yet, 8-0. They had to

come from behind to beat the

Eagles from Georgetown, 26-14.

Cameron met Georgetown last

week and also after Georgetown

led at half time, they came from

behind to win, 32-14.

Taylor was again the loser in

both instances, Cameron stomped

the Ducks 53-6 and Belton plow-

ed over 27-6.

The Tigers represented District

23-AA last year after tying

with Rosebud. They were defeat-

ed, however, last year, by the Yo-

emen, 14-6, in a Homecoming game

here. Cameron lost the chance

to represent the district when

they were defeated by the Rose-

bud aggregation. Both teams will

be ready to clobber each other,

Belton, to avenge the Yoemen win

last year, and Cameron's try to

gain the district crown this year.

Game time is 8:00 on the Bel-

ton field. Although the weather

will be on the cool side in Central

Texas, it'll be hot in Belton

when these two district leaders

clash.

returned the ball 70 yards for

SOCIETY in The News

RECENT BRIDE

Shown above is Mrs. N. E. Barron, who was before her marriage to Mr. Barron on Friday, October 30, Miss Edith Walton.

The double ring ceremony was performed in the First Baptist Church by Rev. A. F. Russell, pastor of the church. Only a few close friends and the family were present for the candlelight ceremony.

Mrs. Barron is the daughter of Mrs. Leon Walton of Cameron and L. L. Walton of Temple. She is a graduate of Yoe High School

and attended Texas State College for Women. She is now employed with Newton Clinic in this city.

Mr. Barron is the son of the late Mr. and Mrs. John Barron and is a graduate of Yoe High School. He is a veteran of World War II and is now a Brand Inspector for the Central Texas Cattlemen's Association.

After a short wedding trip the couple returned to Cameron where they are making their home on East 19th street.

Miss Scarborough And Louis Hollas Marry In Church Wedding Saturday

Miss Shirley Scarborough and Louis Hollas were married at eight thirty o'clock in the morning, Sat., October 31 in St. Monica Catholic Church. Rev. Clyde Holtmann, assistant pastor of the church, read the ceremony before an altar decorated with white mums.

The bride is the daughter of Wesley Scarborough of Houston and Mrs. V. J. Brod of Cameron. The groom is the son of Mr. and Mrs. Richard Hollas of Cameron.

Mrs. Frank Hanel, organist, played the traditional wedding marches and accompanied the St. Monica Choir which sang "On This Wedding Day" and "Ave Maria."

The bride, given in marriage by her father, wore a gown of white Chantilly lace over white satin which was designed with a scalloped neckline and an illusion yoke of nylon tulle. The full length skirt fell into a soft train. The neckline was embroidered with seed pearls. Her fingertip veil of illusion fell from a tiara encrusted with tiny seed pearls.

She carried a white prayer book, a gift of the groom, which was topped by a white orchid and showered with clusters of white phalaenopsis orchids.

Miss Marjorie Richter was the maid of honor. She wore a soft pink satin dress designed after the bride's dress. She carried a crescent bouquet of pink mums which was caught by pink ribbon. Miss Ann Karnowski, cousin of the groom and Miss Marguerite Hickman were the bridesmaids. Their dresses were of soft blue satin and patterned like that of the maid-of-honor, and they carried a crescent bouquet of yellow mums which was caught with yellow ribbons.

George Hollas, brother of the groom, served as best man. Serving as groomsmen were Paul Schigut and Albert Michalka.

Eugene Mitchen and Lawrence Michalka were ushers. A reception was held immediately after the ceremony at Simon-George Hall. The bride's table was laid with a white linen cloth and centered with white mums. The three tiered wedding

cake was topped with a miniature bride and groom, and decorated with pink rosebuds. Mrs. George Hollas cut the cake. Miss Barbara Walton assisted at the silver service. Attending the bride's book was Miss LaVerne Michalka.

The bride's mother wore a light grey suit with black accessories and a white carnation corsage. The mother of the groom wore a navy blue suit with black accessories and a white carnation corsage.

Mr. and Mrs. Hollas are both graduates of Yoe High School. After a short wedding trip to San Antonio, they will make their home on North Central in Cameron. Mr. Hollas is employed with Alcoa in Rockdale and Mrs. Hollas is employed with Michalka Motors in Cameron.

Out of town guests included Mr. and Mrs. Douglas Beck and family of Temple, Mr. and Mrs. W. S. Scarborough of Houston, Mr. and Mrs. Anton Karnowski of Victoria; Mr. and Mrs. Raymond Sutter and family of Wharton; Henry Spinks of Houston and Miss Gladys Karnowski and Miss Bernice Drozd of Victoria.

Girl Scout Troop 4 Has Party At Smith Home Saturday

Girl Scout Troop 4 observed Halloween with a party Saturday night, Oct. 31 in the home of Mrs. Charles C. Smith, Jr., their leader.

The group visited several homes for "Trick or Treats". Upon returning to the Smith home, they were served punch by Mrs. Smith.

Attending the party were Darlene Moore, Beaula Malone, Sharon Laywell, Mary Alice Duncum, Della Ann Bickett, Sandra Smith, Becky Terry, Joyce Hanon and one guest, Ann Clements.

Attendants Of Brock-Hensarling Wedding Announced

Miss Mary Ann Brock and Charles Andrew Hensarling have announced the attendants for their wedding ceremony.

The date has been set for Saturday, November 21 at eight o'clock p.m. in First Baptist Church. Rev. Aubrey F. Russell, pastor

of the church will perform the ceremony.

Miss Sammy Dell Markham will be the maid of honor in the wedding.

Miss Pat Sunkel of Yoakum, with whom Miss Brock attended Southwest Texas State Teachers College in San Marcos, Miss Dallas Green and Miss Patricia Davis of Harlingen, cousin of the bride, will be bridesmaids. Miss Shirley Horstmann will be soloist. Mrs. Hillard Thomas will play the organ.

Nolan B. Hensarling of Austin, brother of the bridegroom-to-be, will serve as best man. Thomas H. Nance, Jr., of Austin, Lucian Kruse, with whom Mr. Hensarling attended A&M College in College Station, James A. Brock, brother of the bride-elect, and Buddy Shipp will be ushers.

Following the ceremony a reception will be held at the Brock residence.

Mr. Hensarling's parents are Mr. and Mrs. T. A. Hensarling of Stephenville. The bride-to-be is the daughter of Mr. and Mrs. Jesse Brock of Cameron.

Luther League At Buckholts Meets; Elects Officers

The Luther League Young People of the Hope Lutheran Church at Buckholts met Sunday night in the church basement for a business session and to elect the following officers for the forthcoming year:

Marion Fuchs, president; Bernice Fischer, vice-president; Mary Ann Pilling, secretary and Alene Hanke, treasurer.

Martha Sunday School Class Meets

The monthly meeting of the Martha Sunday School class was held at Mrs. Gladys Dusek's Tuesday, November 3 at 7:30.

The meeting was opened with a prayer led by Mrs. Dusek. Mrs. Marie Franklin gave the devotional from the 67th psalm which was read by Mrs. Earlyn Moore.

Following the construction of yearbooks, the members made carsewews which will be given as a Christmas present to the teenage girls at the Round Rock home. Refreshments were served following the business meeting.

CLINIC REPORT

"Can We Ignore Such Amazing Results?"

Dr. J. E. Boyce

HEAD PAINS

CASE NO. 1440:

A man aged 55 years complained of shooting pains over left side of head for two years. These pains were constant every day. Sometimes the pain would dart into the ear area and would cause dizziness. He suffered from Asthma, too, and the coughing made the head pain unbearable. He went to various well known clinics where head X-rays were made for suspected brain tumor. No help could be had until he came to a Chiropractic Clinic where he found that a fall from a horse and a kick from the horse had misaligned a neck vertebra causing nerve interference and defective nerve waves to the head and lungs. Corrective adjustments restored alignment which permitted a return to normal energization after which all pains ceased and Asthma which had been a regular complaint, disappeared. This man works daily in a supervisory capacity and claims he feels just grand.

NERVEOUSNESS

CASE NO. 570:

A man of 33 years came in complaining of nervousness, jerky, jumpy feeling, indigestion with dizziness, awaking tired in the mornings, numbness in left arm and hand and pains in shoulder and lower back, also fever and catarrh. A spinal analysis located defective nerves and X-rays disclosed vertebrae causing nerve interference. Corrective adjustments restored spinal alignment and removed nerve interference. When last seen, this case reported he was feeling fine in all respects.

HIGH BLOOD PRESSURE

CASE NO. 1710:

A man of age 60, weighing 180 lbs., came in with a painful stiffness in his neck which made it impossible to turn his head. He reported high blood pressure and frequent colds. After examination disclosed the cause of his trouble to be a spinal nerve wave interference, we attempted to correct the faulty alignment. This case was discharged free of pains and with blood pressure normal.

AGREED!

NECK INJURIES: Injuries to the neck are common and unless stiffness and pain are marked or persistent, most of us are inclined to forget the incident. All too often some damage is done and years later, symptoms appear. Many vital structures are crowded into a tiny space in the neck area and the openings in the vertebrae through which the nerves exit are small. This makes them more vulnerable to pressure and irritation which in turn leads to discomfort in the shoulder, arm, neck or head. . . . A single mishap may be responsible but in many instances it is the cumulative effect of several. Months or years after the injury, a clicking sound, soreness or stiffness in the neck may be the first indication.

Infection, arthritis, ruptured disc, hemorrhage and trauma are the most common factors in producing distress. . . . Excerpts, "How to Keep Well," Chicago Tribune, by T. R. Van Dellen, M. D.

Early Milam County Settler Taken By Death In Rockdale

Funeral services were held Friday, Nov. 6 at 2 p.m. from Phillips and Luckey funeral chapin Rockdale for J. P. Hanks, 87, known to his friends in the Rockdale area as "Uncle Pete".

Rev. Byron Welch, First Christian pastor, officiated. Burial was made in the Forrest Grove Cemetery, in the community in which Mr. Hanks had lived for some 65 years.

He had been a resident of Milam County for more than 80 years, coming here from Mississippi with his parents.

Mr. Hanks died Wednesday

night, November 4. He had been the last survivor of a family group of 19 which came to Milam county before Rockdale was founded as a city.

Mr. Hanks recalled seeing his first train one day in 1874, and it was also the first train to arrive in Rockdale.

Survivors include a son, Bill, of Rockdale; a daughter, Mrs. Joe Aldridge, Austin; two stepsons, Jim Richards and Jack Richards, both of Rockdale; and a stepdaughter, Mrs. Bill Hicks, Rockdale.

Pvt. Eldon Batte Selected To Attend Leader's Course

Private Richard E. Batte, son of Miss Mary Belle Batte of Cameron, has been selected to attend Leader's Course, the most advanced training program of the Antiaircraft Artillery Replacement Training Center at Fort

Bliss, Texas.

Appointments to the rigorous training course are based on demonstration of leadership abilities, high scholastic aptitudes, and above average physical stamina.

The purpose of the Course is to train and develop men to lead troops better as non-commissioned officers.

The first five weeks of the eight-week training period are a study of leadership principles, methods of instruction, and tactics. During the last three weeks, the men are placed in basic training units in the AAA RTC to instruct troops in the various phases of training.

Graduation from the Leaders' Course is climaxed by a formal parade and retreat ceremony.

Plans For First Methodist Church Homecoming Told

Plans for the Methodist Church Home Coming Day on November 15 are being made.

Two services of unusual interest are announced by E. C. Cole, Publicity Chairman. Dr. W. C. Finch, President of Southwestern University will preach at 10:55 a.m.

Dinner at the Church will be followed by a 2 o'clock service of music. Three choirs will sing.

Mrs. M. C. Magers has recently organized the children into two choirs - the Cherubs ages 4 - 6 and Children ages 6 - 11. They will make their initial appearance.

The regular church choir, under direction of Mrs. Joe Hickman, will sing the greater part of the afternoon service including special Choruses, solos and duets.

There will be no services at night.

Flowers will be presented to the man and woman who have been members of this church the greatest number of years and also to the two coming the greatest distance to attend the home coming.

The members will bring dinner enough for themselves and all invited visitors.

Detailed program will appear in the Herald columns next week. Watch for the display announcement.

Out of town visitors will be introduced at the afternoon service.

Pvt. Donald Thweatt Attends Leader's Course At Ft. Bliss

Private Donald E. Thweatt, son of Gilford Thomas Thweatt, of Maysfield, has been selected to attend Leader's Course, the most advanced training program of the Antiaircraft Artillery Replacement Training Center at Ft. Bliss, Texas.

Appointments to the rigorous training course are based on demonstration of leadership abilities, high scholastic aptitudes, and above average physical stamina.

The purpose of the Course is to train and develop men to lead troops better as non-commissioned officers.

The first five weeks of the eight-week training period are a study of leadership principles, methods of instruction, and tactics. During the last three weeks, the men are placed in basic training units in the AAA RTC to instruct troops in the various phases of training.

Graduation from the Leaders' Course is climaxed by a formal parade and retreat ceremony.

Mrs. John Zajicek of Buckholts visited here last week.

Willie Vesely of Corpus Christi, Miss Katherine Vesely of Beeville and Mrs. J. J. Vesely spent Thursday and Friday in Cameron with Mr. and Mrs. A. F. Hundl and other relatives.

F. Kohutek, Sr. Buried In Oklahoma Saturday, Oct. 31

Funeral services for Frank F. Kohutek Sr., Cookietown, Okla. farmer, were conducted Saturday afternoon, October 31 at 2 o'clock from the Union Valley school auditorium with Rev. John J. Evans of Walters and Rev. Loftis Nunley officiating.

Kohutek died at his home in Cookietown at 10:30 a.m. Wednesday, October 28 of cancer.

He was a member of the Catholic Church. He moved with his family to Oklahoma in November, 1931 and remained on the farm in that county until his death.

He entered the hospital in Wichita Falls on August 24 and was later returned to his home.

Death came quietly Wednesday morning while his wife and daughter were at his bedside.

Survivors included his wife and four children, M-Sgt Frank F. Kohutek, Jr. of Turner Air Force Base, Albany, Georgia; S-Sgt. Albin J. Kohutek of MacDill Air Force Base, Tampa, Florida; Joseph D. Kohutek of Compton, California; and Mrs. Richard L. Dillard of March Air Force Base, Riverside, California; and six grandchildren.

Also surviving Mr. Kohutek are: one brother, Joe Kohutek of Taylor and three sisters, Mrs. Anna Katrola and Mrs. Rosa Ondraj, both of Cameron, and Mrs. Mary Moore of New Jersey.

Ralph Simmons Completes Air Force Basic Training

Ralph Simmons, 19, son of Mr. and Mrs. Lee Simmons of Cameron is completing his AF basic airmen indoctrination course at Lackland Air Force Base, the

"Gateway to the Air Force."

Lackland, situated near San Antonio, is the world's largest air force base, site of Air Force basic training, for men and women, headquarters of the Human Resource Research Center, and home of AF's Candidate School.

His basic training is preparing him for entrance into Air Force technical training and for assignment in specialized work. The course includes a scientific evaluation of his aptitude and inclination for following a particular vocation and career.

Rabies Infection
Discovered
In 27 Counties

Positive evidence of rabies infection was discovered in 115 animal heads autopsied by State Health Department laboratories in Austin during the past month, the Department announced today.

By species, positive heads included 104 dogs, 4 cats, 3 skunks, 2 cows, and 2 calves.

Heads from 27 counties made up last month's tabulation. Harris County was high with 73 submissions.

The tabulation was made in a regular monthly rabies report, a departmental public service which shows rabies incidence throughout the state. It lists the species involved and gives the date and county of occurrence.

Meanwhile, state laboratory officials are still surveying insect-eating bats for rabies infection. A total of 105 of the flying mammals have been checked so far with negative results in each instance. The study began two months ago after the department became suspicious that bats heretofore thought to be entirely beneficial might be harboring the deadly rabies virus.

Ten Percent of Community Chest
Fund Goes To Emergency Needs

When you give to the Cameron Community Chest 10 percent of your donation goes to the Cameron Emergency Hospital Fund. This fund supplies financial assistance to provide hospital care for indigent persons who are residents of the city of Cameron.

A board of leading Cameron citizens administers this fund and determines the needs and qualifications of cases presented to it. Hospital and doctor bills are paid in full or in part depending upon finances and resources of the persons requesting aid.

You are relieving the pain and perhaps saving a life of someone by providing medical aid that they otherwise could not afford, when you give to the Emergency Hospital Fund through the Cameron Community Chest. Please give enough.

Westphalia Man Dies
At His Home Monday

Gerhard Kelypas, age 87, passed away at his family's home in Westphalia Monday, November 9. He has been a resident of that community for the past 60 years.

Services will be at 9 a.m. Wednesday, November 11, from the Church of Visitation at Westphalia, with Rev. R. P. Schertz officiating. Burial will be made in St. Mary's cemetery.

Survivors are eight sons, Raymond and Bert of Waco, Ralph, Lawrence and Jerald of Temple, Herbert of Lott, Harold of Marlin and Joe of Westphalia; three daughters, Mrs. Henry Greener, Mrs. Alois Beach, and Miss Angela Kleypas, all of Westphalia.

He was a member of the St. Michael Society. Rosary will be recited at 7:15 Tuesday evening at the family residence.

Mrs. J. D. Moore
Places Second In
A. Harris Contest

Mrs. J. D. Moore placed second in the A. Harris and Co. of Dallas Christmas classification of their Gift Wrap Design Competition. Mrs. Moore received a \$15. merchandise Gift Certificate from A. Harris and Co. Her design was placed in the store's Christmas window which was devoted to recipients of awards.

The Christmas windows of the large department store were unveiled shortly before the store's Open House on Monday, November 9, at 7 o'clock p.m.

The Gift Wrap Design Competition began Monday, October 12 and ended Monday, November 2. The competition was open to every resident of the State of Texas except the employees of A. Harris and Co.

Each design contained a toy which was in good condition or a new toy costing not more than 50 cents. The toys will be given to the Dallas County Community Chest agencies for distribution.

The entries were judged on originality, uniqueness, skill and design. Mrs. Moore's package was wrapped with white glazed paper and decorated with red wool thread to resemble music and to picture the Christmas song, "Jingle Bells". Green glazed paper, ribbon and tiny jingle bells were used to complete the decoration.

Mrs. Moore's entry won over a field of 300 contestants. Her package won first place last year in the local Civic Garden Club Christmas Show.

How to send a letter
from Santa...

to your child

Just imagine how excited your child would be if he got a letter from Santa Claus in answer to his own - especially if this letter would come direct from Santa's home in Santa Claus, Indiana.

Why not give your child, or any of the children on your Christmas list, the thrill of a life time, not just with a letter from Santa Claus, but a letter that carries the official United States postmark, proving that it actually comes from Santa Claus himself.

We have six different styles of Santa Claus letters. Each is done in full color and contains a personal message from Santa Claus to your child, complete with its own colored envelope.

Why not select a letter for your child, write his name and address on it, and mail it in our special mail box. That's all you have to do. We will have it mailed from the famous Santa Claus Post Office in Santa Claus, Indiana, and your child will receive his letter actually mailed from Santa's home - with the proof right in the postmark.

When you give to the Cameron Community Chest 30 per cent of your donations goes to the Cameron Welfare Fund. This fund supplies aid to the needy families in Cameron. This aid is never given in the form of cash gifts. It is groceries, medicine, clothing, wood, or any other commodity for which the recipient proves is needed.

These supplies are purchased and distributed by Mrs. W. C. Triggs, who, with several other highly respected citizens, administers this agency and determines the needs of those who benefit from it.

You are making life brighter and giving hope to someone less fortunate than yourself when you give to the Cameron Welfare Fund through the Cameron Community Chest. Please give enough.

TP&L And Drs. Evans And Evans Move To New Building Nov. 3

The Texas Power & Light Company moved to their original location Tuesday, Nov. 3. The building was destroyed by a blaze on August 16.

The offices have been remodeled. The rooms have been redecorated and have been completed with new office furniture. New lighting fixtures and air conditions are only a few of remodeled conveniences added.

The TP&L and Drs. Evans, Optometrists have moved from their old location to their new offices next door to the TP&L office. The space occupied by Drs. Evans and Evans was formerly the Enterprise Publishing Co. before the blaze.

Why more than a million owners this year
have chosen the "Worth More" **FORD!**

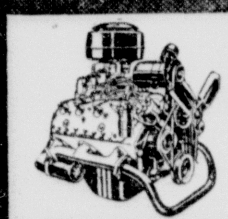

They have discovered first hand what the surveys show...

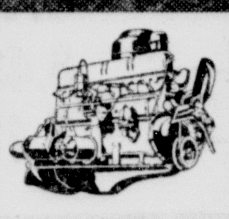

Ford, with all its fine-car features, is worth more

when you buy it, and worth more when you sell it!

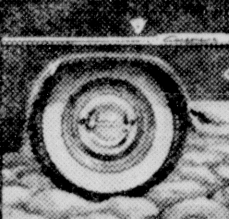

OVER A MILLION OWNERS can't be wrong! Ford is the one
fine car in the low-price field. It gives you the
"Go," the style, the comfort, and "build" of cars that sell
for far more. And, it's only natural that Ford keeps its
value better, in resale, than any other car on the Ameri-
can Road. Check the features below for some of the
"Worth More" reasons for the swing to Ford.

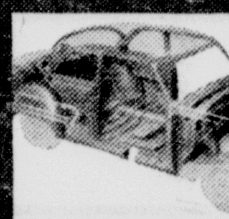

Lowest-priced V-8 in Amer-
ica! And the only V-8 in the
low-price field. Ford's
high-compression V-8
power plant delivers its
"Go" on regular gas!

Most Modern Six of all is
Ford's high-compression,
low-friction Mileage Maker.
With Overdrive, it beats all
other cars entered in 1953
Mobilgas Economy Run.

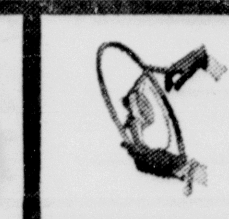

Smoother Ride, with front
end road shock reduced
up to 80%, is another
Ford big-car feature...
and you get it without
gas eating extra weight.

Fine-Car Build means using
steel of the same quality
and thickness as in the
costliest cars. And Ford is
the most completely insu-
lated car in its field.

Fordomatic Drive is the only
"automatic" in its field to
offer the "Go" of an auto-
matic intermediate gear
plus the smoothness of a
torque converter.

Finest Power Steering—
that's Ford Master-Guide.
It does up to 75% of the
steering work yet retains
the normal steering "feel"
on the straightaways.
